

## South Coast Model Aerosport Club Field Rules

803 Finniss-Clayton Road, Clayton Bay

1. All MAAA Model Operating Procedures are to be adhered to as this is a best practice field owned by the MAAA.
2. **No flying is permitted on Murrayland district fire ban days.**
3. Smoking is not allowed on this property except in private motor vehicles due to the high fire risk.
4. The parking area is to the north east of the hanger and no parking between a line from the shaded model assembly area to the runway, see below.

5. On arrival, open the coded lock, open gate and reattach the lock to gate, locked. Open key safe in toilet situated on the side of house to gain access to buildings.

6. Move the small wind sock and fire extinguisher/s to the flight line.
7. If ground maintenance is in progress the maintenance has priority and all members should assist when required.
8. Last person to leave, move the small wind sock and fire extinguisher/s from the flight line to the hanger, lock all buildings, replace keys in key safe, scramble code, lock property gate and scramble lock code on departure.
9. **The following persons are permitted to fly at SCMAC.**
  - 9.1 Financial SCMAC members. Club fees (along with affiliation fees for MASA and MAAA) are due on 1 July annually. If fees have not been paid by 1 July, then the member is 'non-financial' and is not permitted to fly. (MOP042).
  - 9.2 Visiting members from other Australian Clubs. Any visitor who holds a current MAAA card can visit and fly at the SCMAC field. Visitors must sign the Visitors' Book and the entries must be countersigned by a SCMAC member. Visitors must comply with Club Rules. Visits are normally limited to three (3) times in each calendar year unless the MAAA members are specifically invited to the field by the Club. The requirement to sign the Visitors' Book is waived when an invitation is extended to MAAA members for a specific flying function. (MOP042)
  - 9.3 Visiting flyers from overseas Clubs. These visitors may be permitted to fly if they sign the Visitors' book and the entry is counter-signed by a SCMAC member. The overseas visitor must demonstrate his flying ability to a competent member. Radio equipment must meet the requirements of the MAAA MOP (various). These visits are limited to three (3) times in each calendar year. (MOP042)
  - 9.4 Prospective new members. A prospective new member may fly under the guidance of an MAAA instructor or approved club instructor. The number of trial flight visits is limited to three (3), after which the prospective member must pay the applicable fees and become a club member (MOP042).
  - 9.5 Additional flying visits are at the committee's discretion.
10. **The following persons are not permitted to fly at SCMAC**
  - 10.1 Anyone who does not meet the above requirements.
  - 10.2 Any person prohibited or restricted by a directive of the SCMAC committee. The committee reserves the right to reject any proposal for new membership or any renewal of existing membership in accordance with the Club's Statement of Rules.
